SCOUTING REPORT ON BRYAN MOKESKI:

Bryan Mokeski has been around basketball his whole life and has a **high basketball IQ**. On offense he is a good back to the basket low post player with a jump hook, drop step, and rip through. Bryan has range to about 20 feet and is a great passer. He can stretch the defense by making the open shot as well as pick and roll/pick and pop. On defense, he's really long so he blocks shots and gets a lot of deflections. Bryan is also a rebounder on both ends of the court.
