SCOUTING REPORT ON CHRIS CARTER: CHRIS is an all-around great player who has the ability to change a game with his hustle and finishing skills around the basket. Has European professional range on his jumper and 3-pointer. CHRIS has a knack for being an excellent offensive rebounder. Defensively he plays bigger than his size and therefore can effectively guard players who are a few inches taller than him. This allows him to guard many different positions on the floor. Has excellent anticipation skills on defense as well.
