SCOUTING REPORT ON ISAIAH PRINCE: Excellent team leader. Leads by example with his **hard work** and **nonstop effort** during game time. Has **excellent court vision**. Creates for himself and others. Can take the team on his shoulders when needed. Scores in bunches from all points on the floor. When he sees the opening he slashes to the basket with force, shoots well from all points on the floor including out to NBA 3-point range. On defense he shuts down the other team's top player regularly. Quick feet also gives him the ability to transition to offense immediately after creating turnovers. Great Athleticism.
