SCOUTING REPORT ON MATT GWYNNE:

Matt Gwynne averaged 28.3ppg and 17.2rpg in the EBL (United Kingdom) this year. He is a versatile big guy who can score inside and can knock down the perimeter shot. He is an excellent rebounder who has a bright international basketball future. Matt dominated the EBL and was the top scorer and rebounder in the league. He was consistent from the inside and outside all season. Matt requires a job in a higher level competition than the EBL in the United Kingdom and is a bright prospect for entry level teams in Europe.
